

UCSB Freshman Summer Start Program

FINANCIAL AID

In Summer 2008, FSSP students received over \$495,000 in grants and loans. If you are interested in receiving financial aid to cover the costs of the 2009 FSSP program, there are a few things you need to do as soon as possible:

- **Secure a Federal Student Aid PIN at www.pin.ed.gov for both you and your parents**
The PIN will act as the electronic signature for the FAFSA and the Direct Loan Programs for both you and your parents.
- **Complete an electronic 2008-2009 FAFSA at www.fafsa.ed.gov**
Please note that the federal processor must receive your application by June 30, 2009.
- **Submit all required documentation requested by the UCSB Financial Aid Office**
- **Complete an electronic Direct Loan Master Promissory Note (MPN) at <https://dlenote.ed.gov>**
- **Complete the Direct Loan Entrance Counseling Session at <http://www.dlsonline.com/entrancecounseling/main-entc.asp>**
The electronic MPN and entrance counseling need to be completed if you plan to take advantage of your Direct Loan eligibility. Both must be completed before we are able to disburse your Direct Loan funds.

We will begin processing your financial aid application once the Summer Session Office notifies us that you were selected to participate in the program!
