In summer 2019, FSSP students received over $1,284,813 in grants, scholarships and loans. If you need financial aid to help cover the costs of the FSSP Program, here are a few steps you must take as soon as possible:

**STEP 1:** Complete a 2019-2020 FAFSA or California Dream Act Application. The deadline for this application is June 30, 2020; after this date your application cannot be processed.
- The 19/20 application is different from the 20/21 application, which is used for the upcoming Fall, Winter and Spring quarters of the 2020-2021 academic year.

**STEP 2:** Log into the My Aid Status portal with your UCSB Net ID and password. Once logged in, complete any required tasks and submit any required documents.

**STEP 3:** Award letters are generally released in mid-July. Once received, you should determine if you need to accept any of your offered loan eligibility. If so, loans can be accepted through My Aid Status under the “Student Loan” tab.
- All Federal Loans require a Master Promissory Note (MPN) and Entrance Counseling Interview which can be done on the studentaid.gov website.

**NOTE:** The fee deadline for FSSP students is August 5, 2020. All accepted aid will post to your BARC account 10 days prior to the start date of your program, as long as you meet the following:
- You are enrolled in at least 6 units
- All loan requirements are complete, if you have accepted any loans.
