

Research Mentorship Program  
**Consent For Research Use In Competition**

I understand that I must receive approval from the Principal Investigator and Mentor of the project that I was involved in during the Research Mentorship Program (RMP) and the Director of RMP to participate in competitions, as stated in the Statement of Understanding. I also agree to properly site and credit all parties involved in this research and failing to do so violates ethical standards in the research community. I understand that this consent applies to the competition named below and any future submissions will require a new request for approval.
